

Monster Paper Bag Puppets

1. There are two monster puppets. You will need a paper bag for each one.
2. The puppets' faces and bodies are on separate pages. Color them and cut them out.
3. Follow the instructions on the instructions page to put your Paper Bag Puppet together.

How to Make Them

1. Tape or paste monster head on the bottom of the bag, as shown.

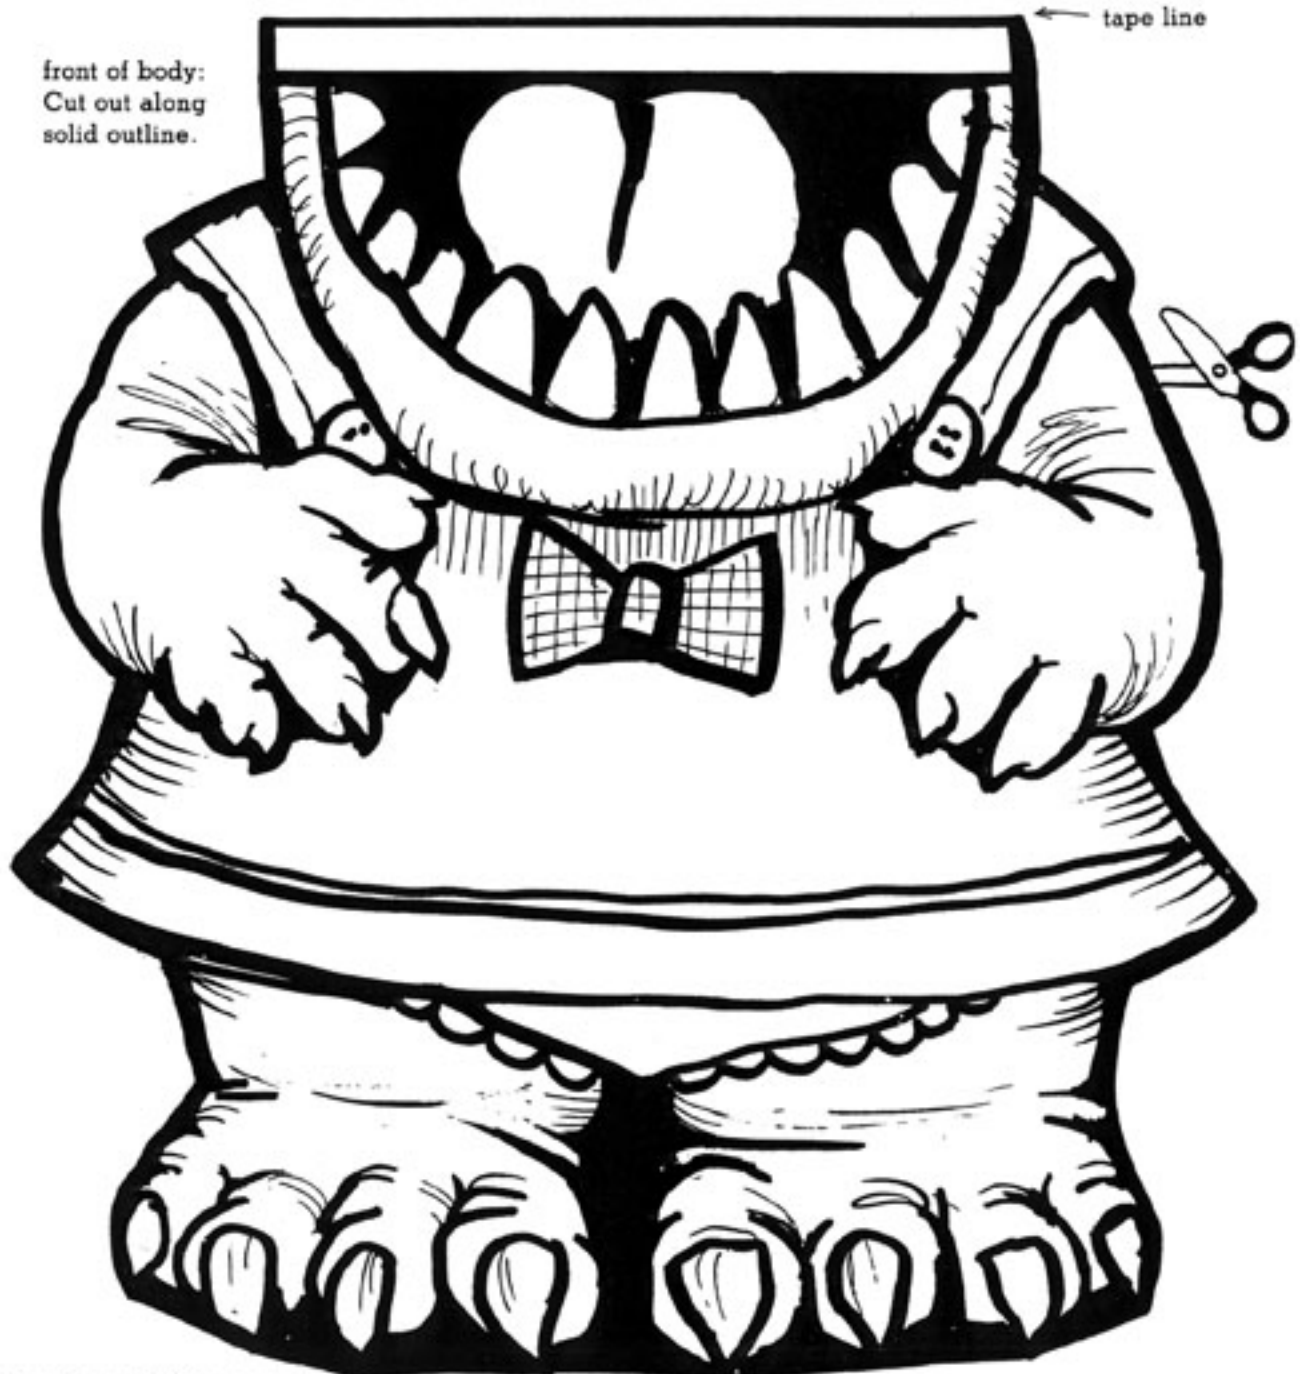

2. Tilt bottom of bag back. Position monster body on bag with the tape line right up against the bottom crease. Tape along the tape line and then tape or paste the rest of the body to the bag.
